## Part 1: Introduction

---

- 1.1 **An Coimisiún Toghcháin, Ireland's independent electoral commission** (the "Contracting Authority") invites tenders ("Tenders") to this request for tenders ("RFT") from economic operators ("Tenderers") for the provision of the services as described in Appendix 1 to this RFT (the "Services").
- 1.2 In summary, the Services comprise: Delivery of a hosting service for An Coimisiún Toghcháin, Ireland's independent electoral commission websites, ongoing support and maintenance of An Coimisiún Toghcháin websites, and delivery of other website development projects as required over the contract duration.
- 1.3 This public procurement competition (the "Competition") will be conducted in accordance with the open procedure under the European Union (Award of Public Authority Contracts) Regulations 2016 (Statutory Instrument 284 of 2016) (the "Regulations"). Any contract that may result from this Competition (the "Services Contract") will be issued for a term of two (2) years ("the Term").
- 1.4 The Contracting Authority reserves the right to extend the Term for a period or periods of up to 12 Months with a maximum of three (3) such extension or extensions on the same terms and conditions, subject to the Contracting Authority's obligations at law.
- 1.5 The Contracting Authority estimates that the expenditure on the Services to be covered by the proposed Services Contract may amount to some **€130,000** (excl. VAT) over the Term and any possible extensions. Tenderers must understand that this figure is an estimate only based on current and future expected usage.
- 1.6 Contracting Authority policy seeks to encourage participation on a fair and equal basis by Small and Medium Enterprises ("SME"s) in this Competition. SMEs that believe the scope of this Competition is beyond their technical or business capacity are encouraged, subject to paragraph 2.5, to explore the possibilities of forming relationships with other SMEs or with larger enterprises. Through such relationships they can participate and contribute to the successful implementation of any Services Contract that may result from this Competition and therefore increase their social and economic benefits.

Larger enterprises are also encouraged, subject to paragraph 2.5, to consider the practical ways that SMEs can be included in their proposals to maximise the social and economic benefits of any Services Contracts that may result from this Competition.

## Part 2: Instructions to Tenderers

### 2.1 IMPORTANT NOTICES

**2.1.1** While every effort has been made to provide comprehensive and accurate information in all notices and documents prepared for the purposes of this Competition, the Contracting Authority does not accept any liability or provide any express or implied warranty in respect of any such information. Tenderers must form their own conclusions about the solution needed to meet the requirements set out in this RFT and may wish to consult their legal advisers.

**2.1.2** The Contracting Authority does not bind itself to accept the lowest priced or any Tender. This RFT does not constitute an offer or commitment to enter into a Services Contract.

No contractual rights in relation to the Contracting Authority will exist unless and until a formal written Services Contract has been executed by or on behalf of the Contracting Authority.

Any notification of preferred bidder status by the Contracting Authority shall not give rise to any enforceable rights by the Tenderer.

The Contracting Authority may cancel this Competition at any time prior to a formal written Services Contract being executed by or on behalf of the Contracting Authority.

The award of a Services Contract does not confer exclusivity on the successful Tenderer.

**2.1.3** This RFT supersedes and replaces any and all previous documentation, communications and correspondence between the Contracting Authority and Tenderers, and Tenderers should place no reliance on such previous documentation and correspondence.

**2.1.4** In this clause 2.1.4, “Data Protection Laws” means all applicable national and EU data protection laws, regulations and guidelines including but not limited to Regulation (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (the “General Data Protection Regulation”), and any guidelines and codes of practice issued by the Office of the Data Protection Commission or other supervisory authority for data protection in Ireland from time to time.

The Contracting Authority will be a Data Controller (where Data Controller has the meaning given under the Data Protection Laws) in respect of any Personal Data (where Personal Data has the meaning given under the Data Protection Laws) required to be provided by the Tenderer in response to this RFT.

The Tenderer, as Data Controller in respect of any Personal Data provided by it in its Tender, is required to confirm in the statement required under paragraph 2.4 below that all Data Subjects (where Data Subject has the meaning given under the Data Protection Laws) whose Personal Data is provided by the Tenderer have consented to the processing of such Personal Data by the Tenderer, the Contracting Authority, the Evaluation Team and the supplier of the etenders.gov.ie website, for the purposes of the participation of the Tenderer in this Competition or that the Tenderer otherwise has a legal basis for

providing such Personal Data to the Contracting Authority for the purposes of its participation in this Competition.

- 2.1.5 The Contracting Authority would refer Tenderers in particular to the provisions of Regulation (EU) 2022/1031 on the access of third country economic operators, goods and services to the Union's public procurement and concession markets and procedures supporting negotiations on access of Union economic operators, goods and services to the public procurement and concession markets of third countries (International Procurement Instrument – IPI), and to their obligation to comply therewith.

In particular, tenderers and candidates should note in Article 6 of Regulation (EU) 2022/1031, the obligations for a Contracting Authority in the context of a procurement procedure where the EU Commission has adopted an IPI measure.

- 2.1.6 Tenderers are referred to the provisions of Regulation (EU) 2022/2560 of the European Parliament and of the Council on Foreign Subsidies distorting the Internal Market, in addition to Commission Implementing Regulation (EU) 2023/1441, and their obligation to comply therewith. In particular, tenderers and candidates should note the requirements in Articles 28 and 29 of Regulation (EU) 2022/2560 relating to the prior notification or declaration of foreign financial contributions, where the estimated value of the public procurement procedure is equal to or greater than the applicable financial thresholds set out therein. In that regard, Tenderers and Candidates are referred to Appendix 3A of the RFT.

## 2.2 COMPLIANT TENDERS

- 2.2.1 If a Tenderer fails to comply in any respect with the requirements of this paragraph 2.2.1, the Contracting Authority reserves the right to reject the Tenderer's Tender as non-compliant or, without prejudice to this right and subject to its obligations at law, to take any other action it considers appropriate including but not limited to:

- seeking written clarification from the Tenderer;
- seeking further information from the Tenderer; or
- waiving a requirement, which in the Contracting Authority's view, is non-material or procedural.

Tenderers are required:

- (a) To complete and submit with their Tender the electronic version of the European Single Procurement Document ("[eESPD](#)"). Tenderers may submit an eESPD which has already been used in a previous procurement procedure PROVIDED THAT they confirm that: (i) the information contained in it continues to be correct and (ii) that they satisfy the Selection Criteria for this Competition as set out at part 3.2 below;
- (b). To submit all documentation which this RFT requires to be submitted with their Tender;

- (c) To follow the format of this RFT and respond to each element in the order as set out in this RFT;
- (d) To conform to and comply with all instructions and requirements set out in this RFT;
- (e) To submit the statement required under paragraph 2.4 below; and
- (f) Not to alter or edit this RFT in any way.

**2.2.2** Without prejudice to the generality of paragraphs 2.2.1, failure to comply with paragraph 2.6.1, 2.6.2 or 2.6.3 below will render the Tender non-compliant and it will be rejected.

## **2.3 SERVICES CONTRACT**

**2.3.1** Tenderers should note the terms and conditions of the Services Contract at Appendix 5 to this RFT.

**2.3.2** Tenderers are required to confirm their acceptance of the terms and conditions of the Services Contract by signing the Tenderer's Statement at Appendix 3. Tenderers may not amend the Services Contract.

## **2.4 ACCEPTANCE OF RFT REQUIREMENTS**

Each Tenderer is required to accept the provisions of this RFT. ALL TENDERERS MUST RETURN, with their Tender, a scanned signed copy of the Tenderer's Statement, as set out in Appendix 3, printed on the Tenderer's letterhead. The Contracting Authority must be able to read the scanned signature of the Tenderer. If possible, please sign documents using blue ink. If the Contracting Authority cannot read the scanned signature, Tenderers may be requested to re-submit. Tenderers may not amend the Tenderer's Statement.

## **2.5 CONSORTIA AND PRIME / SUBCONTRACTORS**

Where a group of undertakings (in whatever form and regardless of the legal relationship between them) come together to submit a Tender in response to this RFT, the Contracting Authority will deal with all matters relating to this Competition through a single nominated entity authorised to represent all members of the group of undertakings. The Tenderer must provide details of all members of the group of undertakings and their role in the Tender and clearly set out the contact details including name, title, telephone number, postal address, facsimile number and e-mail address of the nominated entity authorised to represent the Tenderer and to whom all communications shall be directed and accepted until this Competition has been completed or terminated. Correspondence from any other person will NOT be accepted, acknowledged or responded to.

Prior to and as a condition of award of any Services Contract, the successful Tenderer shall be required to designate a single entity who will carry overall responsibility for the Services Contract (the "Prime Contractor"), irrespective of whether or not tasks are to be performed by a

subcontractor or other consortium member (the “Subcontractor”).

## 2.6 TENDER SUBMISSION REQUIREMENTS

- 2.6.1 Tenders must be submitted via the ‘electronic tenderbox’ available on [www.etenders.gov.ie](http://www.etenders.gov.ie). Only Tenders submitted to the electronic tenderbox will be accepted. Tenderers must ensure that they give themselves sufficient time to upload and submit all required tender documentation in their Tender before the Tender Deadline (as defined in paragraph 2.6.2). Tenderers should take into account the fact that upload speeds vary.

Tenderers must note that in the electronic tenderbox, there is a current file size limit of 250MB for each single file uploaded, with a maximum total limit of 2GB for all documentation (combined) in the Tender submitted.

In order to submit a Tender to the electronic tenderbox, Tenderers must ensure that they follow the necessary steps on the eTenders platform to ensure that their tender has been submitted properly, which includes ensuring that the “Submit” button has been clicked. In the event that Tenderers need to modify or change any aspect of their Tender before the Tender Deadline, the Tender in its entirety will need to be re-submitted. Tenderers should be aware that the “Submit” button will be disabled automatically at the Tender Deadline.

- (b) Declared by way of eESPD that either:
  - (i) no mandatory grounds for exclusion of the Tenderer pursuant to Regulation 57 of the Regulations apply to them, or

- (c) Declared by way of eESPD that they satisfy the selection criteria for this Competition as set out in part 3.2 below (the “Selection Criteria”), will be evaluated in accordance with the Award Criteria at part 3.3 below.

However, please note that the Contracting Authority also reserves the right to exclude from evaluation a Tenderer to whom a discretionary ground for exclusion pursuant to Regulation 57 of the Regulations applies.

Tenderers should note that where a Tenderer is relying on the capacity of other entities (for example, Subcontractors) for the purposes of fulfilling any of the Selection Criteria in part 3.2 below it must ensure that each such entity:

- (i) completes and submits a separate eESPD in respect of each such entity, and

### 3.3 AWARD CRITERIA

**3.3.1** Only Tenders that have passed the Compliance and Selection assessment set out above in sections 3.1 and 3.2 will be considered in the Award Evaluation.

**3.3.2** The Services Contract will be awarded on the basis of the most economically advantageous tender(s) as identified in accordance with the following criteria:

Criteria	Weightings	Marks Available	Minimum Marks Required
<b>CRITERIA 1: Understanding of the challenges of the brief and the specific audience profiles, including accessibility.</b>	<b>10%</b>	<b>100</b>	<b>60</b>
<b>CRITERIA 2: Strategic approach and proposed strategy in response to the brief.</b>	<b>15%</b>	<b>150</b>	<b>90</b>
<b>CRITERIA 3: Proposed solutions in response to cyber risk management and mitigation.</b>	<b>20%</b>	<b>200</b>	<b>120</b>
<b>CRITERIA 4: Proposed solutions for development requirements.</b>	<b>15%</b>	<b>150</b>	<b>90</b>
<b>CRITERIA 5: Contract management and required service levels.</b>	<b>5%</b>	<b>50</b>	<b>30</b>
<b>CRITERIA 6: Quality and balance of resource offered in response to the brief.</b>	<b>5%</b>	<b>50</b>	<b>30</b>
<b>CRITERIA 7: Environmental and Social Characteristics</b>	<b>5%</b>	<b>50</b>	<b>N/A</b>
<b>CRITERIA 8: Cost</b>	<b>25%</b>	<b>250</b>	<b>N/A</b>
<b>Total</b>	<b>100%</b>	<b>1000</b>	

#### 3.3.3 Scoring Methodology

For each of the non-cost criteria stated, the following evaluation methodology will be applied:

##### Technical Criteria Scoring Methodology

Band	Scoring Range	Assessment
<b>5</b>	<b>91% to 100%</b>	Excellent response with few or no weaknesses that meets or exceeds requirements, and provides comprehensive, detailed, and convincing assurance that the Tenderer will deliver to an excellent standard.
<b>4</b>	<b>80% to 90%</b>	A very good response that demonstrates real understanding, meets the requirements, and provides assurance that the

		Tenderer will deliver to high standard.
<b>3</b>	<b>60% to 79%</b>	A good response which demonstrates a reasonable understanding of requirements and gives reasonable assurance of delivery to an adequate standard but does not provide sufficiently convincing assurance to award a higher mark.
<b>2</b>	<b>30% to 59%</b>	A response where reservations exist. Lacks full credibility/convincing detail, and there is a significant risk that the response will not be successful.
<b>1</b>	<b>1% to 29%</b>	A response where serious reservations exist. This may be because, for example, insufficient detail is provided, and the response has fundamental flaws, or is seriously inadequate or seriously lacks credibility with a high risk of non-delivery.
<b>0</b>	<b>0%</b>	No response/response completely fails to address the criterion under consideration

**3.3.4** Stage 1: The tender evaluation panel will determine into which of the following six bands in the Table above that each Criteria Response falls.

Stage 2: The tender evaluation panel will assign a mark within the selected band depending on the quality of the response.

Example: One hundred marks are available for an Award Criterion. If the tender evaluation panel determines that the response falls within the “very good” range, then they may award a minimum of 80 and a maximum of 90 marks, dependent on the overall quality of the response.

Tenderers must achieve a minimum score (marks) for each award criterion. Tenderers who fail to reach the minimum acceptable score (marks) indicated for each relevant award criterion will be eliminated from the competition.

### **3.3.5 Cost Score**

Tenderers are required to quote daily rates for website development services and an overall cost of hosting and support services as follows:

- (i) Tenderers are required to submit a blended daily rate for all key personnel involved in delivering the website development services. The Daily rate should be based on an 8 hour day. The Contracting Authority reserves the right to call off services at a pro-rated hourly rate.
- (ii) Prices tendered must be all-inclusive, covering all staff who will be involved in servicing the client account and detail by function/role.

Proposed resources	Fixed blended daily rate Euro € (excl. VAT)	Applicable VAT rate %
	€-	%
	€-	%
Fixed blended hourly/daily rate (For all grades of key personnel)	€-	%

The cost for the above will be scored individually using the following formula:

Marks for Cost	=	$\frac{\text{Lowest Total Tendered Blended Daily Rate}}{\text{Total tendered blended daily rate under evaluation}}$	*	Maximum Marks Available 50
----------------	---	---------------------------------------------------------------------------------------------------------------------	---	-------------------------------

- (iii) Tenders are required to submit their response as a fixed annual rate for hosting cost.

Fixed Annual Cost	Euro € (excl. VAT)	Applicable VAT rate %

The cost for the above will be scored individually using the following formula:

Marks for Cost	=	$\frac{\text{Lowest Total Tendered Cost}}{\text{Total Tendered Cost under evaluation}}$	*	Maximum Marks Available 200
----------------	---	-----------------------------------------------------------------------------------------	---	--------------------------------

### 3.3.6 Total Score

The total marks for quality and the total marks for cost will be added together to calculate the overall score. The Tender with the highest overall score will be identified as the Most Economically Advantageous Tender.

### 3.3.7 Tie Break

If the evaluation results in a tie between two or more Tenderers, then the Tender with the highest score for the 'Qualitative' Criterion set out in the order below shall be deemed the Most Economically Advantageous Tender for the relevant Lot:

Criterion Order for Tie Break	
3	Proposed solutions in response to cyber risk management and mitigation.
2	Strategic approach and proposed strategy in response to the brief.

4	Proposed solutions for development requirements.
1	Understanding of the challenges of the brief and the specific audience profiles, including accessibility.
5	Quality and balance of resource offered in response to the brief.
6	Contract management and required service levels.
8	Cost
7	Environmental and social characteristics

In the event of a tie and there being no difference in the “Qualitative” and “Costs” Criterion scores, the tied Tenderers will be invited to submit their “Best and Final Offer.” The Tender with the highest scoring Tender shall be deemed the Most Economically Advantageous Tender. In the event of a tie following the “Best and Final Offer” process, then the successful Tender will be drawn by lottery.

**3.3.7** Subject to paragraphs 2.1 (Important Notices) and 3.5 (Standstill Period) of this RFT, award of the Services Contract to the highest ranked Tenderer (as determined by paragraph 3.3.1) will be conditional upon:

### 3.5 STANDSTILL PERIOD

**3.5.1** In circumstances where the European Communities (Public Authorities' Contracts) (Review Procedures) Regulations 2010 (Statutory Instrument 130 of 2010), as amended by the European Communities (Public Authorities' Contracts) (Review Procedures) (Amendment) Regulations 2015 (Statutory Instrument 192 of 2015) and the European Communities (Public Authorities' Contracts (Review Procedures) (Amendment) Regulation 2017 (Statutory Instrument 327 of 2017) apply, no contract can or will be executed or take effect until at least fourteen (14) calendar days after the day on which the Tenderers have been sent a notice informing them of the result of this Competition

(“Standstill Period”) if such notice is sent by electronic means. The Standstill Period shall be sixteen (16) calendar days if such notice is sent by other means. The preferred bidder will be notified of the decision of the Contracting Authority and of the expiry date of the Standstill Period.

- 3.5.2 Tenderers should note that the Contracting Authority may, when notifying Tenderers of the results of this Competition, include the scores obtained by the Tenderer concerned and the scores obtained by the preferred bidder in respect of each award criterion assessed by the Contracting Authority.

### **3.6 RETURN OF SIGNED CONTRACTS**

- 3.6.1 The successful Tenderer must sign and return the Services Contract and the Confidentiality Agreement, both in duplicate, to the Contracting Authority no later than [insert number] calendar days from the date of expiry of the Standstill Period unless notified otherwise in writing by the Contracting Authority. A signed Services Contract returned by the successful Tenderer is not binding on the Contracting Authority until the Contracting Authority has signed the Services Contract in accordance with paragraph 2.1.2 above.
- 3.6.2 Where the signed Services Contract and the Confidentiality Agreement have not been received by the Contracting Authority within the period as specified at paragraph 3.6.1 then the Contracting Authority may proceed to award the Services Contract to the next highest-ranked Tenderer in accordance with paragraph 3.6.1 above.

## Appendix 1: Requirements and Specifications

[To be completed by notifying parties where the value of the procurement procedure is equal to or greater than the financial thresholds in Article 28 of Regulation (EU) 2022/2560 and where the notifying party has been in receipt of aggregated foreign financial contributions in the three (3) years prior to notification, valued equal to or greater than €4M per third country].

### **1. Description of the public procurement (Section 1 of Form FS-PP)**

### **2. Information about notifying parties (Section 2 of Form FS-PP)**

### **3. Foreign Financial Contributions – (Section 3 of Form FS-PP)**

**3.1** For the purposes of this section 3.1, the notifying party(ies) should report foreign financial contributions falling into the scope of Article 5(1), points (a), (b), (c) and (e) of Regulation (EU) 2022/2560, which are amongst the most likely to distort the internal market.

3.1.1. In order to allow the Commission to determine whether a foreign financial contribution has been granted to an undertaking that was ailing within the meaning of Article 5(1)(a) of Regulation (EU) 2022/2560, notifying parties should indicate whether any of the following conditions were met at any point of time in the three years prior to the notification.

3.1.1.1. Is the notifying party a limited liability company, where more than half of its subscribed share capital has disappeared as a result of accumulated losses?

☐ yes ☐ no

3.1.1.2. Is the notifying party a company where at least some members have unlimited liability for the debt of the company, and where more than half of its capital as shown in the company accounts has disappeared as a result of accumulated losses?

☐ yes ☐ no

3.1.1.3. Is the notifying party subject to collective insolvency proceedings or does it fulfil the criteria under its domestic law for being placed in collective insolvency proceedings at the request of its creditors?

☐ yes ☐ no

3.1.1.4. In the case the notifying party in question is not an SME:

3.1.1.4.1. has the notifying party's book debt to equity ratio been greater than 7,5 for the past two years

and

3.1.1.4.2. has the notifying party's EBITDA interest coverage ratio been below 1,0 for the past two years?

☐ yes ☐ no

3.1.1.5. If the reply to any of the questions in sections 3.1.1.1 to 3.1.1.4 was 'yes' in relation to any of the notifying parties, please indicate whether during the period in which the undertaking in question was ailing, it received any foreign financial contributions that may have contributed to restore its long-term viability (including any temporary liquidity assistance designed to support that restoration of viability) or to keep that party afloat for the short time needed to work out a restructuring or liquidation plan.

Notifying party(ies) ☐ yes ☐ no

3.1.1.6. If the reply to any of the questions in sections 3.1.1.1 to 3.1.1.4 was 'yes' in relation to any of the notifying parties, indicate if there is a restructuring plan capable of leading to the long-term viability of that party and if this restructuring plan includes a significant own contribution by the notifying party and provide details of that plan.

3.1.1.7. If the reply to any of the questions in points 3.1.1.1 to 3.1.1.4 was 'yes', please substantiate the answer, including references in the answer to the supporting evidence or documents that are to be provided in annexes (such documents may include, but are not limited to, the notifying party's latest profit and loss account statements with balance sheets, or court decision opening collective insolvency proceedings on the company or documents providing evidence that the criteria for being placed under insolvency proceedings at the request of creditors under national company law are met, etc.).

3.1.2. Has the notifying party been in receipt of a foreign financial contribution in the form of an unlimited guarantee for the debts or liabilities of the undertaking, namely without any limitation as to the amount or the duration of such guarantee (Article 5(1)(b)) of Regulation (EU) 2022/2560.

☐ yes ☐ no

3.1.3. Has the notifying party been in receipt of an export financing measure that is not in line with the OECD Arrangement on officially supported export credits (Article 5(1)(c)) of Regulation (EU) 2022/2560.

☐ yes ☐ no

3.1.4. Has the notifying party been in receipt of a foreign financial contribution enabling an undertaking to submit an unduly advantageous tender on the basis of which the undertaking could be awarded the relevant contract (Article 5(1)(e)) of Regulation (EU) 2022/2560.

☐ yes ☐ no

- 3.2.** For each foreign financial contribution equal to or in excess of EUR 1 million granted to the notifying parties in the three years prior to the notification that may fall into any of the categories of Article 5(1), points (a) to (c) and (e) of Regulation (EU) 2022/2560, the notifying party must provide the following information and provide supporting documents:
- 3.2.1. Form of the financial contribution (e.g. loan, tax exemption, capital injection, fiscal incentive, contributions in kind, etc.).
- 3.2.2. Third country granting the financial contribution. Specify also the granting public authority or entity.
- 3.2.3. Amount of each financial contribution.
- 3.2.4. Purpose and economic rationale for granting the financial contribution to the party
- 3.2.5. Whether there are any conditions attached to the financial contributions as well as its use.
- 3.2.6. Describe the main elements and characteristics of those financial contributions (e.g. interest rates and duration in the case of a loan).
- 3.2.7. Explain whether the financial contribution confers a benefit within the meaning of Article 3 of Regulation (EU) 2022/2560 to the undertaking to which the foreign financial contribution has been granted. Please explain why, with reference to the supporting documents provided under Section 6 (below).
- 3.2.8. Explain whether the financial contribution is limited in law or in fact, within the meaning of Article 3 of Regulation (EU) 2022/2560, to certain undertakings or industries. Please explain why, with reference to the supporting documents provided under Section 6 (below).
- 3.2.9. Explain if the financial contribution is granted only for operating costs exclusively linked with the public procurement at stake.
- 3.3** Having regard to foreign financial contributions not falling within the categories set out in Section 3.1 above, notifying parties are required to provide an overview of the foreign financial contributions equal to or in excess of EUR 1 million granted to the notifying parties in the three years prior to the notification that do not fall into any of the categories of Article 5(1), points (a) to (e) of Regulation (EU) 2022/2560. In that regard, notifying parties are required to complete Table 1 below. Notifying parties should follow the instructions provided at Section 8 (Annex II) of Commission Implementing Regulation (EU) 2023/1441.

#### **Table 1**

Information to be included in Table 1 below by notifying parties.

- (i) Group the different financial contributions per third country and per type, such as direct grant, loan/financing instrument/repayable advances, tax advantage, guarantee, risk capital instrument, equity intervention, debt write-off, contributions provided for the non-economic activities of an undertaking (see recital 16 of Regulation (EU) 2022/2560), or other.

- (ii) Include only those countries where the estimated aggregate amount of all financial contributions per country granted in the three years prior to the notification (calculated according to point (iv) below is EUR 4 million or more.
- (iii) For each type of financial contribution, provide a brief description of the purpose of the financial contributions and the granting entities.
- (iv) Quantify the estimated aggregate amount of financial contributions granted by each third country in the three years prior to the notification in the form of ranges, as specified in the notes to the Table below. For the calculation of this amount, the following considerations are relevant:
  - (a) Take into account foreign financial contributions falling into the categories of Article 5(1) of Regulation (EU) 2022/2560 and on which information has been provided under Sections 3.1 and 3.2 (above) and;
  - (b) do not take into account foreign financial contributions excluded according to points (v) and (vi) below
- (v) Notifying Parties do not need to include (in the Table below) a description of the following foreign financial contributions:
  - (a) Deferrals of payment of taxes and/or of social security contributions, tax amnesties and tax holidays as well as normal depreciation and loss-carry forward rules that are of general application. If these measures are limited, for example, to certain sectors, regions or (types of) undertakings, they have to be included.
  - (b) Application of tax reliefs for avoidance of double taxation in line with the provisions of bilateral or multilateral agreements for avoidance of double taxation as well as unilateral tax reliefs for avoidance of double taxation applied under national tax legislation to the extent they follow the same logic as the provisions of bilateral or multilateral agreements.
  - (c) Provision/purchase of goods/services (except financial services) at market terms in the ordinary course of business, for example the provision/purchase of goods or services carried out following a competitive, transparent and non-discriminatory tender procedure.
  - (d) Foreign financial contributions below the individual amount of EUR 1 million.
- (vi) The foreign financial contributions that may be relevant for the assessment of each public procurement may depend on a number of factors such as the sectors or activities involved, the type of financial contributions or other specificities of the case. In light of these specificities, the Commission may request additional information where it considers such information necessary for its assessment.

<b>Third Country</b>	<b>Type of Financial Contribution (FC)*</b>	<b>Brief Description of the purpose of the FC and the granting entity**</b>	<b>Total Estimated value of the FC granted***</b>

Country A			
Country B			
Country C			
Country D			

Note: please provide a separate table for each of the notifying parties. Third countries and, where possible, types of contributions, should be ordered by total amount of foreign financial contribution, from the highest to the lowest.

\* Identify the financial contributions grouping them by type: such as direct grant, loan/financing instrument/repayable advances, tax advantage, guarantee, risk capital instrument, equity intervention, debt write-off, contributions provided for the non-economic activities of an undertaking (see recital 16 of Regulation 2022/2560), or other. (

\*\* General description of the purpose of the financial contributions included in each type and of the granting entity(ies). For instance, 'tax exemption for the production of product A and R & D activities', 'several loans with State-owned banks for purpose X', 'several financing measures with State investment agencies to cover operating expenses/for R & D activities', 'public capital injection in Company X'.

\*\*\* Use the following ranges: 'EUR 45-100 million', 'EUR > 100-500 million', 'EUR > 500-1 000 million', 'more than EUR 1 000 million'

#### **4. Justification for absence of unduly advantageous tender – (Section 4 of Form FS-PP)**

**4.1** For any of the foreign financial contributions enabling an undertaking to submit an unduly advantageous tender on the basis of which the undertaking could be awarded the relevant contract (Article 5(1)(e) of Regulation (EU) 2022/2560), are there any elements which can be adduced to demonstrate that the tender is not unduly advantageous directly or indirectly due to the financial contribution(s) received, including the elements referred to in Article 69(2) of Directive 2014/24/EU.

In that regard, notifying parties should detail any elements that in their view may demonstrate that their tender is not unduly advantageous.

**4.2** The elements may in particular refer to:

- 4.2.1. The economics of the manufacturing process, of the services provided or of the construction method;
- 4.2.2. The technical solutions chosen or any exceptionally favourable conditions available to the tenderer for the supply of the products or services or for the execution of the work;
- 4.2.3. The originality of the work, supplies or services proposed by the tenderer;
- 4.2.4. Compliance with applicable obligations in the fields of environmental, social and labour law;
- 4.2.5. Compliance with obligations regarding subcontracting.

#### **5. Possible Positive Effects - ( Section 5 of Form FS-PP)**

- 5.1** If applicable, notifying parties should list and substantiate any possible positive effects on the development of the relevant subsidised economic activity on the internal market. Notifying parties should also list and substantiate any other positive effects of the foreign subsidies, such as broader positive effects in relation to the relevant policy objectives, in particular those of the Union, and specify when and where those effects have or are expected to take place. Notifying parties should provide a description of each of those positive effects.

**6. Supporting Documentation – (Section 6 of Form FS-PP)**

Notifying parties are required to provide the following for each notifying party:

- 6.1. Copies of all the supporting official documents relating to the financial contributions that may fall into any of the categories of Article 5(1), points (a) to (c) and (e) of Regulation (EU) 2022/2560 pursuant to Section 3.1.
- 6.2. Copies of the following documents prepared by or for or received by any member of the board of management, the board of directors or the supervisory board:  
Analyses, reports, studies surveys, presentations and any comparable documents discussing the purpose, use and economic rationale of the foreign financial contributions that may fall into any of the categories of Article 5(1), points (a) to (c) and (e) of Regulation (EU) 2022/2560.  
Provide the same documents prepared by or for or received by the entity granting the foreign financial contribution to the extent that they are in your possession or that they are publicly available.
- 6.3. An indication of the internet address, if any, at which the most recent annual accounts or reports of the notifying party(ies) are available, or if no such internet address exists, copies of the most recent annual accounts and reports.
- 6.4. Where the notifying party(ies) provide(s) justifications of the absence of an undue advantage of the tender by filling in Section 4 of this form, they also need to provide documentation for the period covering the three years preceding the notification, substantiating the adduced elements. Such documentation may include, inter alia, as relevant: (a) tax declarations for the period under review, including copies of company tax returns and VAT returns, (b) business plans and market research underlying the decision to participate in the public procurement procedure.

**7. Attestation (Section 8 of Form FS-PP)**

The notifying party(ies) confirm(s) that, to the best of their knowledge and belief, the information given in this declaration is true, correct, and complete, that true and complete copies of documents required by this Form FS-PP have been supplied, that all estimates are identified as such and are their best estimates of the underlying facts, and that all the opinions expressed are sincere.
